

CHAPTER 204
Official Standards

EDITOR'S NOTE: The State of Ohio operates on Eastern Daylight Savings Time from 2:00 a.m. of the first Sunday in April until 2:00 a.m. of the last Sunday in October. Congress, on March 22, 1966, passed the Uniform Time Act requiring uniform observance throughout the nation of Daylight Savings Time starting in 1967, except that a state legislature could exempt the entire state from Daylight Savings Time or divide a state into not more than two parts, each with a different time standard. The Ohio legislature, through inaction, has elected to observe Eastern Daylight Savings Time throughout the State of Ohio.

204.01 Datum line
established.

204.01 DATUM LINE ESTABLISHED.

The datum level or zero (0.000) point of all engineering work under the direction and control of the Village government is hereby established at the northeast corner of Dayton and Walnut Streets, and having a marked center, under which center datum is fixed and hereby established at an elevation of 199.841 feet below the surface of the datum monument.

The datum monument is a stone measuring six inches on top and placed on a bed of gravel setting twenty-four inches deep. All calculations and levels hereafter made shall refer to this datum as so many units above or below the aforementioned datum point.

(Ord. Unno. Passed 7-5-01.)
