CALL TO ORDER

President of Council Brian Housh called the meeting to order at 6pm.

ROLL CALL

Present were President Housh, Vice President Kevin Stokes and Council members Marianne MacQueen, Gavin DeVore Leonard and Carmen Brown. Also present was Village Manager Josue Salmeron.

VILLAGE GOAL PRIORITIZATION

All members of Council and the Village Manager expressed their priorities in general discussion.

Issues of infrastructure needs were raised and discussed, and all Council members affirmed the need to address critical infrastructure issues as a precursor to and stimulus to both increasing available housing and economic development.

There was some discussion around “what type of housing” and whether “affordable” housing should be prioritized or whether both “affordable” and moderate income housing should be encouraged.

Need for work sessions around the topics of public safety and housing were acknowledged.

Need for more and specific information regarding cost associated with some goals and associated with addressing critical infrastructure issues was acknowledged, and was requested for the next meeting.

ADJOURNMENT

At 1:13 Housh ADJOURNED THE MEETING.
