

**VILLAGE OF YELLOW SPRINGS, OHIO  
RESOLUTION 2020-04**

**SUPPORTING CRESCO'S REQUEST FOR INCREASED LIGHTING ALLOWANCE TO  
COMPENSATE FOR DECREASED HOURS OF DAYLIGHT**

**WHEREAS**, Cresco Labs has requested a time extension to the "blackout" of their greenhouses from 5pm to 7pm, for their business located at 1130 Springs Way, Yellow Springs; and

**WHEREAS**, Cresco has been diligent in complying with Village ordinances regarding light pollution, and had previously agreed to closure of their blackout curtains at 5pm daily to avoid any light pollution from their grow operation; and,

**WHEREAS**, Cresco now realizes that closure of the blackout curtains prior to 7pm during the shorter days of the year has a significant negative impact on their operations due to the stage in the lifecycle of the plants at those times,

**NOW, THEREFORE, COUNCIL FOR THE VILLAGE OF YELLOW SPRINGS,  
OHIO HEREBY RESOLVES THAT:**

**Section 1.** The Village's agreement with Cresco is hereby amended to permit blackout curtains to remain open as late as 7pm as deemed necessary by Cresco.

**Section 2.** This agreement shall be in full force and effect until otherwise amended by Council.
